

# Large attached lid containers

Allibert Buckhorn large Attached Lid Containers are used by manufacturers, service industries and the retail sector for a wide variety of storage, handling and distribution applications.

Uses include automotive component supply, engineer's kit boxes, pharmaceutical distribution, office and home removals...

retail distribution, archive storage, handling forensic evidence, courier services – the list is endless!

Hot-foil printing company logo and message increases brand awareness and clearly identifies the container as the owner's property.
