Waste Management

An attractive and functional range of wheeled waste containers. The smooth moulding promotes hygiene by allowing easy and thorough cleaning.

Tilt & push bins are supplied in 80, 120, 140, 240 and 340 litre capacities. Larger four wheel versions are available in 660 and 770 litre models.

Standard colour: light lagoon green body with dark lagoon green lid.

Jumboroll Roll Cages

Jumboroll can be equipped with a choice of castors and two side frame heights. Unlike metal roll cages the plastic base ensures that Jumboroll is very quiet in operation, an important feature when making deliveries close to residential areas.
